# VISION 2026: TOWARDS EXPANSION

After the year of foundations, the year of acceleration

## THE 3 MAJOR PROJECTS

### "THE LIGHT ALLIANCE" PROJECT

The objective: To launch a structured fundraising campaign dedicated exclusively to the education of children with albinism.

### "PEER-MENTORING"

The method: Our 2025 Champions become the mentors of the new 2026 cohort. Perpetuating knowledge.

### THE LIFE AND FAITH INSTITUTE

The structure: Official launch of the Life and Faith Institute to foster theological training and leadership within the church.

# Conclusion

The year 2025 was the year of proof. We proved that with few liquid resources but a lot of faith and skills, we could mobilize more than 11 million FCFA of real value.

DCW is no longer a small association trying its hand at something new; it's a structured organization that's succeeding. We're ready to welcome larger partners for larger challenges.
